WILL YOUR PROPERTY BE SECURE DURING THE HOLIDAYS?

There have been 3 Burglaries recently in our NHW area.
 Sliding doors were broken to gain entry but apparently no one heard anything
 An intruder was seen in Redford a few weeks ago but ran when noticed. He drove off in a Holden Ute. The incident was reported to the police.
 Are you and your neighbours looking out for one another?
 Do you have contact phone numbers for neighbours who are on holidays?
 Do you have their house keys to check on their property?
 If you see anything suspicious, even though a crime may not have been committed, ring Albany Creek Police (3264 0599) or City branch (3364 6464)

HOW TO REPORT SUSPICIOUS BEHAVIOUR

If you see someone breaking into a neighbour's home, or any other serious crime, call City Police on 3364 6464 immediately.

If you see a suspicious vehicle in your neighbour's driveway or outside their house, ring them to see if they are home. If they are not home make a note of the registration number and a description of the vehicle.

If you believe your home has been entered illegally, do not enter, the thief might still be there. Call police immediately.

If strangers come to your door, check their credentials, even if it means phoning the organisation they claim to be representing, before letting them into your home.

Bus Stops

The question of access to the bus stop on Old Northern Rd. adjacent to De Vito Place has now been placed in the hands of our local and state governments. There was initial interest by some residents asking for access to this bus stop which they say would be closer than the existing ones in our area.

There is also interest from other residents who do not want access to Old Northern Rd. through De Vito Pl. because of the possible increased security risk that might occur.

Your Neighbourhood Watch has highlighted these issues to both levels of government. However it is not our role, nor is it in our charter, to pursue this type of issue. As both levels of government are aware of these issues, they will do the necessary investigations to either approve or reject the proposal. At our last general meeting a motion was passed that our NHW group would take no further action.

Residents have the opportunity to contact local and state members of government to voice their opinion and we would encourage them to do so.
