# 2008 it will be great

Participating in your local Neighbourhood watch group is just the thing to making 2008 a special year—for you and your community.

New residents are encouraged to contact your zone co-ordinator to receive your welcome letter, detailing import information about your new neighbourhood.

### Next Meeting

In our first meeting for the year, we welcome Matt Sterling from ADT security to talk about home security.

### Police Report

In a disturbing trend and reminding us to be ever vigilant, our area has experienced a number of break-ins over the Christmas period. Specifically Streisand, Spielberg and Van Dyke streets have been targeted.

### Weather Station—it's back...

After an absence of 12 or more months, the Glendora Weather Station is now back and accessible from the Glendora NHW web page ([www.glendora.nhwqld.org](http://www.glendora.nhwqld.org)).

You have access to up to the minute information on the weather from a weather station located in our neighbourhood. Examine temperature, wind speed and direction, rainfall and forecasting over the Internet.

## Preserving the Scene

What to do if your premises is involved in a criminal activity:

- Identify a crime has occurred
- Contact Police
- Do not touch the area and items where offenders have been
- Secure the scene; isolate items and areas by using barriers or signs to prevent loss of forensic evidence.

Observations to be noted at a crime scene

- Identify the point of entry
- Identify path taken by offender
- Identify anything touched by offender
- Identify any property left behind by the offender (perhaps clothing)
- Identify if any food or drink has been consumed by the offender
- Identify anything foreign to the scene
- Identify point of exit
- Identify any recovered stolen property from the crime scene

*Help solve and prevent crime through forensic preservation awareness*
