2009 NHW Dates for your Diary

Monday 19 October 2009 - 7pm NHW meeting.

General meetings are held on the 3rd Monday of every 2nd month.

From 7pm in the Community Access Building, McDowall State School - Rode Road McDowall

Previous Meeting

Our newly elected state member of Parliament, Tracy Davis, spoke to us about her vision for the McDowall / Aspley / Carseldine area. She spoke with energy and enthusiasm about traffic and building projects that will affect us into the future.

Next Meeting: Wine and Cheese night

Following the very brief next meeting, as per our NHW Meeting tradition, please join us in the relaxed surroundings for the wine and cheese evening: an opportunity to meet and chat with your neighbours (and Glendora NHW luminaries) over a glass or two from our selection of wine.

Neighbourhood Watch Works!

Following the installation of Hamilton Road extensions, your NHW lobbied both local and state government for the addition of a right turn arrow from Hamilton Road (at Beckett Road). We witnessed many accidents at this corner, and redoubled our efforts.

On your behalf, our efforts were rewarded : with the provisioning of the right-turn arrow. Not only does NHW help with Crime prevention, we also seek to improve the community.

Thanks to the government authorities who understood our requirement and worked with us to improve safety for our community.

Police Report

Unfortunately our near no crime perfect record for 2009 was broken with what seems to be an opportunistic break and enter in Stallone Circuit earlier in September.

This disappointing event reminds us that crime is never too far away, and to maintain our personal and community vigil, especially as we head into the Christmas season.

Where are the meetings?

Our meetings are held at the McDowall State School - on Rode Road. You can park in the front car park, near the administration building. It is a short walk directly through the middle of the school to the Community Access Building (where the meetings are held) at the back of the school complex.

On your first visit, it can be a little difficult to find the building, but don't despair - the paths are well lit - and you will be greeted with warmth and encouragement when you arrive.

One Punch Can Kill

You know, every year **far too many young Queenslanders are assaulted at parties, in bars and out on the streets.** We exist for one purpose: to reverse this. All too often young people are getting hurt or even killed when they are out just trying to have a good time.

You can help. We need mass support from the teens and young adults of Queensland to shift attitudes and change ways amongst young people regarding senseless violence at social events. **Our message is clear – one punch can kill.**
